5-area weekly live steer price

Simply. Safer.

Moly's Flight Zone Avoidance System & Remote-Controlled Turret Gate is still the **only** livestock system that keeps my Family & Co-workers **Safer** when closing gates on livestock in high impact areas.

6 years and 750,000 head later, Turret Gate has **Simply** done the work at Mull Farms & Feeding!

Glenn Mull, Mull Farms & Feeding, pictured with Jon Mollhagen, President of Moly Mfg., Inc.

Designed & Installed Mull Farms & Feeding's E.Z.A. System Location #2
